1. What is The Career Compass program?

The Career Compass is a training initiative designed to equip students, job seekers and current employee with essential employability skills. It focuses on technical knowledge, workplace etiquette, and mental and physical well-being to ensure a smooth transition from academics to the professional world.

2. Who is the program intended for?

The program is tailored for college students, fresh graduates, and early-career professionals looking to enhance their skill sets and become "career-ready."

3. What courses are offered under The Career Compass?

A . The Career Ready - (a comprehensive employability course) provides English language & technical training on tools such as ChatGPT and MS Office, workplace etiquette, HR policy understanding, and a dedicated module on mental and physical health.

B. The Career Growth - refers to the continuous development of skills, knowledge, and experiences that help individuals progress professionally, achieve higher positions, and reach their career aspirations. It involves learning opportunities, promotions, and personal development initiatives.

4. How long does it take to complete the training?

The duration depends on the course.

1. “ **The Career Ready**” course runs for **8 weeks**.
2. While specialized training modules “**The Career Growth**” range **9 weeks**.

5. Is the training conducted online or in person?

The Career Compass offers both **online** and **in-person sessions**. Participants can choose the mode that best suits their preferences and availability.

6. Are there any prerequisites to enroll?

No specific prerequisites are required. The program is open to anyone interested in enhancing their employability skills and preparing for a professional career.

7. Will I receive a certificate upon completion?

Yes, participants receive a certification upon successful completion of any course under The Career Compass program, which can be a valuable addition to their resumes.

8. How can I enroll in the program?

You can enroll through our website or by contacting our admissions team. Details about the courses, schedules, and fees will be provided during the enrollment process.
